

## WHAT DOES YOUR TECHNOLOGY DO FOR YOU?

Keeping up with technology is a requirement for the success of your business. The available options can be overwhelming. Researching what might be best for your organization could turn into a full-time job.

At Smith Schafer, we have a team of specialists to help you cut costs, increase your access to information and improve your decision-making abilities through the intelligent use of technology.

### We assess how technology fits with your business goals and needs:

- Strategic technology review, planning and budgeting
- Business process development and documentation
- Software selection and implementation (e.g. Peachtree, QuickBooks, MAS90)
- Technology coaching and executive education

### CORE INDUSTRIES SERVED:

- Specialty Contractors
- Manufacturing
- Hospitality
- Professional Service Firms
- Real Estate
- Nonprofit
- Government
- Transportation
- Retail
- Law Firms
- Architects & Engineers

*“When Smith Schafer makes recommendations or lays out our options, I am always confident that their analysis of the situation is thorough and correct. They don’t shoot from the hip.”*

—Brad Lohrbach, Family Service Rochester

**Whether you are a prospective client, referring professional or someone exploring an accounting career or lateral move, Smith Schafer has been a clear choice for intelligent and sophisticated advisory services for more than 45 years. Contact us.**
